## REALTOR® ACTION FUND

MAKE A CHOICE, MAKE A DIFFERENCE

Marin REALTORS® consider M.A.R.'s successful governmental affairs and political activities among the most important services we provide. In turn, MAR relies on the REALTOR® Action Fund to help elect local candidates who support issues and causes important to our members, and oppose legislation or laws that are harmful to homebuyers, home sellers, and the escrow process.

Your additional voluntary contribution to the REALTOR® Action Fund will help guarantee that MAR continues to have the resources we need to help defeat local point-of-sale retrofit ordinances, business license tax proposals, transfer taxes, and other issues that concern Marin's real estate community.

*(Contributions to the REALTOR® Action Fund are not tax deductible as charitable contributions.)*

## MARIN WORKFORCE HOUSING TRUST

The Marin Workforce Housing Trust is a unique public/private partnership that has been created to meet the challenges of housing affordability for workers in Marin County.

With the support of local businesses, governments, community members and philanthropic foundations, Marin Workforce Housing Trust provides low-cost financing for critically needed workforce housing developments in Marin.

Donations and investments are matched dollar-for-dollar by the Marin Community Foundation and the County of Marin, thereby tripling the value of each commitment.

Your tax-deductible contribution will allow the Marin Workforce Housing Trust to change lives, strengthen our communities and allow employees and their families to live close to where they work in housing that is affordable.
